ACCREDITATIONS AND APPROVALS

Director's Desk

Prof. (Dr.) Rashmi Khorana Nagpal
Director I/C
SVKM's NMIMS Chandigarh

Dear Students,

Greetings from NMIMS Chandigarh, a proud part of the prestigious SVKM Trust Mumbai, with a legacy of over 44 years in education. We are committed to providing high-quality learning that prepares you for industry demands, and we welcome you to our vibrant academic community.

Inspired by our Mumbai campus, NMIMS Chandigarh offers cutting-edge Industry 4.0 programs, state-of-the-art labs, and curriculum aligned with industry trends. Our focus on experiential learning ensures you gain the practical knowledge and skills necessary to thrive in today's job market. All programs integrate AI technology and application-based tools, preparing you for the future of work.

Our campus houses three schools:

- School of Technology Management and Engineering (STME): Offering B.Tech programs in Computer Engineering and Computer Science & Engineering in Data Science, with modern labs for hands-on training.
- School of Commerce (SOC): Offering BBA, B.Com, and B.Sc. Finance programs with specialized tracks in marketing and finance, and a Business Analytics program using industry-standard tools.
- School of Law (SOL): Offering integrated BA. LL.B. and BBA. LL.B. programs, with practical experience through moot courts, internships, and research.

We look forward to supporting your academic and professional journey at NMIMS Chandigarh.

Glimpses of Campus Life

Then Hon'ble Governor of Punjab & UT Administrator Shri. Banwari Lal Purohit with Shri. Amrishbhai Patel- Chancellor, SVKM's NMIMS at Chandigarh campus

Hon'ble Mr. Justice C.T. Ravi Kumar, Judge, Supreme Court of India at NMIMS Chandigarh Campus

Anviksha 2024-Techfest by School of Technology Management & Engineering

MANIFEST 2024- Festival organized by School Of Commerce

NMIMS Khel Mahautsav

International Yoga Day -2024

Course	Duration
B.Tech Computer Engineering	4 years
B.Tech Computer Science & Engineering (Data Science)	

Program Features

- The curriculum is Aligned with International Standards to meet global benchmarks, blending Engineering, Math, Analytics, Management, and General Education for Data Science skill development.
- All programs are AICTE Approved ensuring quality and credibility of the degree programs. State-of-the-art infrastructure with all Modern facilities provide an ideal environment for academic excellence and holistic development. Industry-integrated and project-based learning bridge the gap between academia and industry, boosting job placements and research opportunities.
- Regular updates to the curriculum based on industry trends make it dynamic, relevant and help students stay ahead of the curve.
- Experienced, Dedicated and Qualified faculty ensures excellence in teaching, learning, and evaluation with a student-centric approach.
- A well-equipped and modern library, featuring a vast collection of books, periodicals, and e-resources, supports research and study.
- Our B.Tech. programs prepare students for diverse career opportunities, including roles like Data Scientist, Software Engineer, & more, by emphasizing industry-relevant skills and expertise.
